Event Overview

YWCA's ***Until Justice Just Is*** (formerly Stand Against Racism) is a national movement advancing justice for all. During the month of April 2024, YWCAs across the United States will be hosting a series of events to help raise awareness and to promote justice within our local communities. Most recently, 65 YWCAs across the country and over 30,000 people from forty-eight states participated in our efforts to advocate for equity in all aspects of human affairs including health, education, housing, equal pay, and criminal justice.

In recognition of this, I invite you to join **YWCA's Until Justice Just Is Luncheon**. Join us on **April 26th, 2024, at 11am at the Marriott Palm Beach Gardens, 4000 RCA Blvd, Palm Beach Gardens, FL**.

The theme for this year's event is ***"Building the Next Generation of Equity Among Youth"***. Our goal is to facilitate conversations with youth, community members, and elected leaders on cultivating and promoting a more equitable and inclusive community with greater intentionality for youth. Join us as we identify issues and potential solutions that build bridges to success for Palm Beach County youth. Our program will feature a fireside chat with local community leaders and experts:

Moderator: [Marsha Guthrie](#), President of Marshalling Impact, LLC

Featured speakers:

- [Dr. James Green](#), Director of Palm Beach County Community Services; Lead strategist in the development of Birth to 22, a cradle-to-career countywide youth master plan
- **Dr. Debra L. Robinson, M.D.**, former Palm Beach County School Board Member
- **Cassandra Rahming**, girls basketball coach at Palm Beach Lakes and Palm Beach County Sports Hall of Fame Class of 2024. Cassandra is the first woman in our County's history to win 500 games in 2022.

During the luncheon, we will also announce this year's **Dorothy Height Social Justice Awardee**. The award is given to an individual, civic organization, religious institution, or business that has demonstrated leadership in organizing or supporting activities to eliminate racism or prevent racial injustice in Palm Beach County. [Nominations are now open.](#)
