November 2022 Newsletter

November was jam-packed and full of fun, and as we close out the month and get ready for the holiday season, we are so thankful to have amazing supporters like you!

As we enter the holiday season, it is fair to say that we are all reflecting on what kind of year it has been and planning fun festivities with family and friends! November was such a fun month for YWCA of Palm Beach County; We partnered with Verizon to host our 2022 Girls in Stem Day, which saw over 80 young women from all walks of life coming together and experiencing the wonders of science! We hosted a private showing of Black Panther: Wakanda Forever which allowed our staff, community partners, and leaders to decompress and enjoy a great movie for a great cause! The temperature is cooling down, but YWCA is just warming up. Look out for more fun events, community engagement opportunities, and ways you can help!

As we enter the holiday season, we have so much to be thankful for. Sadly so many of the women and children who have fled their homes because of domestic violence do so without many of their belongings. This season of giving we are asking for donations for Harmony House and the Child Development Center. To see the full list
