## October 2022 Newsletter

As we say goodbye to October and hello to November, we wanted to take a moment to highlight the many amazing moments that occurred in October and all of the fun things coming up!

Wow, what a month October was packed with lots of events, and of course, seeing all of you there was most certainly the best part! It was great to hear so many inspiring stories of survival at our DV Awareness Breakfast Panel & Discussion. Who didn't enjoy the Empowerment Mixer? YWCA of Palm Beach County is so grateful to have such an amazing group of staff, volunteers, and supporters, who are committed to helping us lead the charge in providing domestic violence services, free healthcare for women, children, and families, and educational services for unprivileged youth.

Ensuring access to the voting booth is an important part of YWCA's commitment to eliminating racism and empowering women and—now more than ever—it is critical to ensuring a healthy, safe, empowered future for our communities.
